

Shoes Approved by World Athletics - as at 17 November 2023

1. This list is primarily a list concerns shoes that which have been assessed by World Athletics to date.
2. The assessment and whether a shoe is approved or not is determined by several different factors as set out in the Athletic Shoe Regulations.
3. The list is not a complete list of every shoe that has ever been worn by an athlete. If a shoe is not on the list, it can be because a manufacturer has failed to submit the shoe, it has not been approved or is an old model / shoe. Any shoe from before 1 January 2016 is deemed to meet the technical requirements of the Athletic Shoe Regulations. This deemed approval does not prejudice the rights of World Athletics or Referees set out in the Athletic Shoe Regulations.
4. Any shoe in the list highlighted in blue is a development shoe to be worn only by specific athletes at specific competitions within the period stated.
